

Isaac Morakinyo

08147808953 | morakinyorisaac@yahoo.com | Lagos, Nigeria

Summary

A self-driven and Enthusiastic web developer with a strong foundation in modern web technologies, seeking opportunities to contribute to impactful projects and continue growing professionally.

I specialize in building scalable, user-friendly Web applications using **Typescript, React.js and Next.js** on the Frontend, with **Node.js** handling the backend logic. I regularly use MongoDB as my preferred database solution and am actively deepening my expertise in it.

Experience
